Introduction:

Kaczmarek Studio is a design office specializing in interior projects. The company is well known all over Poland for its modern vision. It is famous for its contribution in designing of many hotels, as well as clubs and buildings of public usage.

In its 15 years history, the company was cooperating with many hotel chains representing well known brands like ACCOR – ORBIS S.A., SOFITEL, HANZA, SZYDŁOWSKI and many others. Not only hotels are the area of expertise of the company. Restaurants, clubs, office buildings are also designed by Kaczmarek Studio. What distinguishes the Kaczmarek Studio style from the other architects is surely the usage of the various light combinations, what makes every project special.

Mr. Mirosław Kaczmarek spoke with us about the current projects and the potential cooperation between his office and Dutch equipment providers.

At the moment Kaczmarek Studio is working on Hotel Mercure “Hevelious” – ACCOR – ORBIS located in Gdansk. It is responsible for interior modernization of the 17 floor building (10 000 m²).

The firm is also cooperating with the rapidly growing Polish DE SILVA hotel chain. 3 hotels are being designed in Warsaw and Krakow. This chain is aiming at the development of 20 new hotels before Euro 2012.

SPA GŁĘBOCZEK – a modern spa, of an area of 2000 m², together with swimming pool.
