General information

Adres	ul.Madalińskiego, 76-200 Słupsk
Capacity	5000 places of which 3000 seats
Dimension grass pitch	64m x 100m
Building date	15.08.1926 renovated in 1983, 2004-2006

The Stadion 650-lecia (SOSiR) is chosen as one of the 21 base camps for the international teams playing at the UEFA EURO 2012 Championships. The stadium has a by the UEFA approved soccer field and besides that, all kind of athletic competitions can be attempted at the sports centre.

The complex is equipped with: a sound system, lighting system, electronic equipment to measure performance, a commentator microphone system, locker rooms and changing rooms.

Euro 2012

In 2006 a large modernization on the stadium was finished. For now, that is for Euro 2012, only a new training / relaxation complex has to be build (changing rooms, lockers, sauna, cold and massage room) and the turf has to be changed. The undertaken is already underway and planned to be finished in December 2011. The General Contractor is Budrem Sp.zo.o..

⇒ Offers of suppliers can be directly send to Mr. Juszczynski.
